* Credits have no monetary value and cannot be redeemed for anything outside the school sales program. Credits cannot be transferred, assigned, saved, carried over, or combined with other sales event credits earned by a school or student organization for use by that or any other school or student organization. Credits cannot be redeemed for Electronic Stethoscopes. Credits must be redeemed within 45 days of the sale date using the official school sales redemption form or they will be considered expired. This form may be submitted by either the school sale coordinator or the dealer representative. The donated stethoscopes will be shipped directly to the school sale coordinator.
